

Volunteer opportunity!

Here is the opportunity for co-op and placement positions for students interested in:

- Arts & Culture
- Arts Education
- Cultural Tourism

The Art Gallery of Peterborough is a gathering place that engages the community and promotes the arts as a cornerstone of community creativity and development. We are a non-profit public gallery dedicated to exhibiting and collecting visual works of art. Our goal is to present contemporary visual art by artists from the region and across the nation.

As an exhibition venue with educational programs, the AGP presents a variety of visual art experiences and explorations to stimulate and expand public perception of art as a part of our life and community.

Art Gallery of Peterborough Education is seeking volunteer students to assist with the following:

- School tours of art exhibitions
- Family Sunday arts and crafts
- Saturday afternoon Art Club for children
- Adult exhibition tours
- Visitor Services

Placements are available Tuesday through Friday, with various hours and some weekends expected. Note that an interview, valid police check, and orientation are required.

Please contact Jane Wild at jwild@peterborough.ca or call 705 743 9179 ext 2025.
